Huge Post-it Notes

This activity has been in existence as long as giant Post-it Notes have existed! (Thanks, Post-it!!)

Supplies/Preparations Needed:
- 1 Post-it Self-Stick Easel Pad; pages from the pad are posted on the walls of the classroom prior to the class meeting; each page is labeled with a topic from the week’s lesson
- 1 Marker per group

Directions:

Class is divided into groups of 3-4 members per group. Each group is assigned to one of the topics on the huge Post-it Notes around the room. They are directed to collaborate and write anything they remember or noted about the topic on the huge Post-it that corresponds with their topic. After 20-30 minutes, time is called and the group must explain the topic to the rest of the class. The instructor corrects any erroneous information or supplies any important information omitted by the group. Once all groups have reported, students are allowed to use their mobile phones to take photos of the Post-it pages.
